The need: leaders who can effectively manage both the strategic and the human side of business, who inspire cooperation and creativity in reaching shared goals. The **Leadership Skills Inventory** helped you identify your strengths as a leader—now **Transforming Leadership** will coach you to develop those skills to become a truly Transforming Leader.

**Transforming Leadership** will provide you with:

- An Opportunity and Challenge to Self-Examine
- A Renewed Sense of Purpose
- Clarity of your Foundational Beliefs
- A Broad Spectrum of Leadership Knowledge and Skills

**Transforming Leaders** are made, not born. Start your journey to transforming leadership today.

**Transforming Leadership™** is a must-read for anyone who wants to make a difference in the future. It presents ways we can respond to these uncertain times and help everyone, including ourselves, win. - Ken Blanchard, co-author **The One Minute Manager**
